

Broker Platform

Unlock more business with instant quotes from At-Bay

The Broker Platform is the fastest and easiest way to quote At-Bay insurance products, combining the benefits of speed, expertise, and organization into a single, automated experience. Here's how it works:

Submissions received through Broker Platform are bound

**35% faster
than email**

Get a quote in under 2 minutes

- Use intuitive applications for Cyber, Tech E&O, or MPL
- Customize a quote for your client in just 30 seconds
- Bind and sign entirely online in 3 easy steps

Leverage risk tools and security expertise

- Assess clients' risk with detailed security reports
- Provide actionable insights to your client with every quote
- Simplify coverage decisions with our cyber risk

Manage all your accounts in one place

- Track the status of At-Bay quotes and policies
- Manage, customize and submit Cyber & Tech E&O renewals
- Access documents conveniently from the dashboard

Explore how At-Bay's Broker Platform can help you customize quotes, assess your client's risk, and issue policies in just minutes.
